

The [University of Konstanz](#) is one of eleven Universities of Excellence in Germany. Since 2007, it has been successful in the German Excellence Initiative and its follow-up programme, the Excellence Strategy.

Open Position for a PhD Candidate in Finance

The [Chair of Finance](#) (Professor Marcel Fischer) at the [Department of Economics](#) of the University of Konstanz is inviting applications for a position as a PhD candidate.

Gross salary will be 50% of a full time position, in accordance with the regulations of the German public service salary scale TV-L E13. The initial contract will have a duration of three years (with a possible extension). The successful candidate will contribute to the Chair's research and teaching responsibilities. The starting date is 1st October 2024 or earlier.

Applicants should have excellent analytical and quantitative skills, as well as an interest in research questions addressed by the research group. A very good scientific graduate degree in economics or a related field (e.g. mathematics, physics, or computer science) is mandatory. Fluency in English is required, skills in German are an advantage.

The successful applicant will also be enrolled as a PhD candidate of the [Graduate School of the Social and Behavioural Sciences \(GSBS\)](#).

If you are interested in this position, please contact [Professor Fischer](#) and apply via the [online application portal](#) of the GSBS and name Professor Fischer as a potential supervisor on your application form.

Application Deadline: **15th April 2024**.

For further information about the position, please contact [Professor Fischer](#).

Persons with disabilities are explicitly encouraged to apply. They will be given preference if appropriately qualified (contact + 49 7531 88-4016). The University of Konstanz is committed to ensuring an environment that provides equal opportunities and promotes diversity as well as a good balance between university and family life. As an equal opportunity employer, we strive to increase the number of women working in research and teaching. We also support working couples through our dual career programme (<https://www.uni-konstanz.de/en/equalopportunities/family/dual-career/>).
